

St Catherine's College Executive Committee

Open Meeting Minutes

Sunday, 1st June 2014

Members Present: 30

1. Approval of New MCR Constitution:

- A new MCR constitution, in line with its five yearly review, was presented for approval by MCR members. A copy of the constitution had been emailed to members prior to the meeting.
- Charlotte Baker asked if the main changes from the previous constitution could be mentioned. This query was answered by Co-President Stephanie Ørum and Secretary John Kenny. They articulated that many of these changes had in practice already been in place for a number of years – such as having co-Presidents for instance - but had not previously been amended in the constitution.
- Voting took place with a show of hands and the constitution was approved by a majority of those present. The ratified constitution would now be taken back to the college for final approval.
